PROTECCIÓN SOLAR

Creemos que la luz puede evocar todos los *sentidos* y *emociones* en las personas.

Creemos que todo se siente mejor cuando tenemos en nuestras manos la decisión de cuánta luz queremos, por lo tanto, queremos mejorar las experiencias y estilos en cada momento de la vida.

# PERSIANAS

La luz es el elemento que llena de vida los espacios, creando experiencias diferentes en cada momento para que quienes lo habitan disfruten del confort, bienestar y funcionalidad.

Es una persiana de enrollamiento vertical, de posición seleccionable a cualquier punto de su altura. Es ideal para todos los espacios debido a su estructura, diseño discreto y funcionalidad.

A black and white photograph of a minimalist living room. Two large windows are covered with vertical blinds, which are partially open, allowing light to filter through. In the foreground, two modern armchairs with a textured fabric and thin legs are positioned on either side of a low, dark coffee table. The floor is covered with a patterned rug. The overall aesthetic is clean and contemporary.

Persiana fina y elegante de desplazamiento lateral, con disponibilidad de posicionarse en cualquier punto de su carrera y con opción a perfilar la tela en cualquier punto de la persiana para permitir una mayor o menor entrada de luz.
